

To whom it may concern:

I am writing to you to express my deep concern that K-LOVE station may be taken off the air and replaced with an LPFM. There are many people in my community who listen to K-LOVE and we benefit from it greatly! My family is a financial sponsor, so we obviously feel it is of tremendous value to us -- our entire family. There are no other stations in our area that provide the same programming and services to its listeners that K-LOVE does. They also inform us of things happening in our community. Their impact on the community has immeasurable benefits, as they are literally being a part of changing people's lives for the better (How many stations can honestly say that?). It would be a tragedy for K-LOVE to be taken off the air. Please hear our plea and do not let this happen! Thank you so much!
